

White Label IOR / EOR Services for Forwarders & 3PLs

Add Importer of Record and Exporter of Record services to your existing transport solution.

Your customer wants a shipment that clears customs. You already manage the transport. We cover the compliance role.

Mouse & Bear provides **Importer of Record (IOR)** and **Exporter of Record (EOR)** services that you can white-label — giving you the ability to say “yes” to international shipments without adding legal liability or trade-compliance headcount.

WHAT WE CAN OFFER

- ✓ Importer of Record (IOR)
- ✓ Exporter of Record (EOR)
- ✓ Support for international compliance documentation & processes for Technology shipments including
- ✓ Dual Use and Controlled goods
- ✓ Coverage across **160+ countries**

WHY FORWARDERS & 3PLS USE MOUSE & BEAR SOLUTIONS

- Win deals that require importer/exporter coverage
- Avoid liability exposure
- Reduce shipment delays & customs friction
- Keep control of the customer + transport scope
- White-label and co-branded options available

HOW THE PARTNERSHIP WORKS

1. You manage booking, and routing to country
2. Mouse & Bear acts as the legal IOR/EOR
3. Mouse & Bear obtains any approvals / import licences including documentation & compliance checks
4. Mouse & Bear handle clearance
5. Mouse & Bear handle last mile delivery (including White glove if requested)
6. Shipments move with clear accountability – client is happy

COMMERCIAL OPTIONS

- White-label delivery model
- Referral model
- Co-branded delivery model
- Key account collaboration
